PERSONAL GREETINGS

In presenting this price list to you we wish to express our appreciation to our customers of the past season for the renewed confidence which you have shown us. It is due to your good will that our business is growing each year, and we are now offering the best selection of stock we have ever grown.

To you, who have never bought Nursery stock of us, we solicit your orders, feeling confident that we are able to take care of them in the best possible way. Our aim is to deal honestly with you that you may be satisfied and continue to give us your orders.

OUR GUARANTEE

All stock absolutely guaranteed to be true to variety, well grown, properly handled and packed and to be in good condition when leaving our hands.

We also agree to share with you, the loss of any trees dying by replacing them at half price.

PECAN TREES WITH BROAD-LEAF EVERGREENS GROWING BETWEEN ROWS

30,000 BRED UP PAPER SHELL PECAN TREES

We have them as fine as can be grown. Varieties: Stuart, Success, Schley.

STUART—One of the best known of all the Pecans, Extremely hardy and a strong grower, heavy bearer; nuts good size, plump and well filled.

SUCCESS: Tree of good sturdy growth and heavy bearer. Nuts plump and of excellent flavor. Thin shell and cracks readily

SCHLEY—Shell very thin, kernel rich and plump with high flavor. Considered one of the best for eating, but not so hardy as the Stuart and Success.

EVERGREENS

Evergreens are the aristocrats of the home grounds. They are always appropriate for planting on home grounds, in parks, street planting, churches, schools or anywhere that one may want their grounds to be beautiful all the year.

All Evergreens balled and burlaped, which makes them live and grow easily.
